

## Åndalsnes - Kristiansund (one way)

Åndalsnes – Molde - Kristiansund

*This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)*

This trip takes you from Åndalsnes to Kristiansund via Molde and is a great option if you arrive at Åndalsnes by train and want to go on to Kristiansund.

The first part goes via the Åfarnes – Sølunes ferry to Molde. The bus goes on the ferry and continues to Molde.

You have a little time to look around in Molde, a charming town situated between the fjords and the mountains.

From Molde the trip goes via Batnfjorden and Frei. Along the route you can enjoy the beautiful mountain and fjord landscape.

Kristiansund is Norway’s klippfisk («cliff fish») town, with rich traditions for bacalao and other klippfisk dishes, that are served in several restaurants in town. Kristiansund also has a varied cultural offering and a variety of shops, cafes and restaurants. From “Varden” you have a splendid view of the town and if you want to further see Kristiansund by sea you can take a trip with Sundbåten.
