

Molde - Ålesund (one way)

Molde-Ålesund

This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

This trip takes you from Molde via Vestnes and Sjøholt to Ålesund. The trip includes a ferry ride that offers a great view back on Molde and to the surrounding mountains. Along the rest of the route you can enjoy the beautiful mountain and fjord landscape.

Ålesund is the largest town in Møre and Romsdal county. The town is known for its art nouveau buildings and offers a wide selection of shops, restaurants/cafés and activities.

If you have time, you must walk up to the Aksla “town mountain” and Fjellstua. There are stairs up from the town centre, with view points and benches on the way up. From the top you can see the whole town, in addition to the fjord and islands around Ålesund. Another popular place to visit is the aquarium at Atlanterhavsparken.

The tourist information office is beautifully situated at Skateflukaia. The team here can help you make the most out of your stay in Ålesund. Also, from Ålesund you can take a variety of Travel like the locals trips.
