

By sea from Trondheim to Kristiansund (one way)

Trondheim - Kristiansund

This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

This trip takes you by sea from Trondheim to Kristiansund by express boat. The boat starts from Trondheim express boat terminal centrally in Trondheim and goes to Kristiansund express boat quay in the town centre of Kristiansund.

Between Trondheim and Kristiansund the boat has several stops, including Brekstad at Ørlandet, Hitra island, Kjorsvikbugen in Aure and Edøya at Smøla. The stops are short, so we ask our travellers to remain on board during the whole voyage. The ticket is only valid on the date and for the departure time specified on the ticket

On board the boat there is a possibility to purchase food like sandwiches, fast food, cakes, etc

From the boat you can see the coastal landscape of the middle part of Norway. You will see small and large islands, local communities and a fascinating "seascape".

Kristiansund is Norway's klippfisk («cliff fish») town, with rich traditions for bacalao and other klippfisk dishes, that are served in several restaurants in town. Kristiansund also has a varied cultural offering and a variety of shops, cafes and restaurants. From "Varden" you have a splendid view of the town and if you want to further explore transport on water you can take a trip with Sundbåten.

Departure from: Trondheim express boat terminal

Please make sure to be at the quay in ample time before departure and board the boat as soon as possible. If you are not on the boat close to departure and the boat is full, empty seats will be allocated to other passengers

This itinerary is not valid as a ticket.
