This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Molde – Kristiansund (one way)

Molde-Kristiansund

This trip goes from Molde to Kristiansund goes via Batnfjorden and Frei. Along the route you can enjoy the beautiful mountain and fjord landscape.

From "Varden" you have a splendid view of the town and if you want to further see Kristiansund by sea you can take a trip with Sundbåten.
