

Kristiansund - Molde (one way)

Kristiansund-Molde

This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

This trip goes from Kristiansund to Molde via Frei and Batnfjorden. Along the route you can enjoy the beautiful mountain and fjord landscape.

The town is famous for its view towards the “Molde Panorama”, the impressive row of mountains on the other side of the fjord. Located between sea and mountains and with a short distance from the one to the other, you can explore the fjord, the town center and the mountains behind the town in a short time. In the summer, the town lives up to its name “Town of roses”, and in July the famous Molde International Jazz Festival takes place.
