

Round trip to Kårvåg via the Atlantic Road

Molde – Kårvåg – Molde

This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

This trip takes you from Molde to Kårvåg via what is often described as the world’s most beautiful road – the Atlantic Road. You can enjoy the view of the Atlantic Road and the fascinating surroundings from the bus!

With its location at the edge of the mighty ocean, the Atlantic Road is as beautiful in sunshine and calm weather as in full storm and rain.

The Atlantic Road connects Averøy with the mainland via a series of small islands and islets spanned by a total of eight bridges over 8274 meters.

The Atlantic Road – Atlanterhavsvegen - is a Norwegian Scenic Route. Norwegian Scenic Routes are selected roads that run through landscapes with unique natural qualities, along coasts and fjords, mountains and waterfalls. The routes are intended as alternatives to the main roads, and the drive itself should be an enjoyable experience. [On the Norwegian Scenic Routes web page](#) you can read more about Norwegian Scenic Route Atlanterhavsvegen.

Note! This bus drives along the Atlantic Road but does not stop at the Eldhusøya service centre or anywhere else close to the Atlantic Road sights. It is a public bus, running on a time schedule and there are no photo stops or other breaks during the trip.
