

Coastal Experience

Ålesund – Hamnsund – (Finnøy – Hamnsund) - Ålesund

This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

The “Coastal Experience” is a boat trip from Ålesund to Hamnsund via Valderøy and Store Kalvøy back to Ålesund with a duration of approx. one hour. This is a great trip if you don’t have so much time available for an adventure but want a fjord and sea experience.

On the boat trip you will have fantastic views of the “seascape” with lots of small islands, islets and skerries. Note that the stops underway are short and you must therefore stay on board for the whole journey.
