

## Round trip to Trollstigen & UNESCO Geirangerfjord

Åndalsnes – Trollstigen – Valldal – Geiranger - Åndalsnes

*This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)*

During this round trip you will experience two of the most breathtaking roads in Northern Europe.

The trip starts at Åndalsnes, curves up the hairpin turns of the famous Trollstigen, where the bus stops for 25 minutes at the Trollstigen plateau, enabling you to enjoy the spectacular view.

After the break, the bus continues towards UNESCO World Heritage listed Geiranger where you have some time available to explore the village before you take the bus back to Åndalsnes via the Eagle Road.

The road between Geiranger and Trollstigen is a Norwegian Scenic Route. Norwegian Scenic Routes are selected roads that run through landscapes with unique natural qualities, along coasts and fjords, mountains and waterfalls. The routes are intended as alternatives to the main roads, and the drive itself should be an enjoyable experience. [On the Norwegian Scenic Routes web page](#) you can read more about Norwegian Scenic Route Geiranger – Trollstigen.

Departure from: Setnes or Åndalsnes railway/bus station (track 1)
